

City-Wide Vote on Gas Tank Proposal Recommended by PC

The Park Planning and Zoning Commission concluded three weeks of study and debate on the highly controversial Pacific Gas and Electric Company's storage tank proposition Monday with the recommendation that the City Council submit the question to the voters.

This decision was reached at the conclusion of another session in the Council Chambers with persons for and against the proposed rezoning of a tract of land west of Albany Hill for the construction of a 379 foot natural storage tank.

All the question be settled at a special election—estimated by city officials to cost approximately \$25,000—can it be placed upon the November general election ballot? This will be the problem facing the City Council Monday night when it will decide the situation.

Walter Howell, Berkeley district manager of P.G.&E. said he doubted that his company could wait until November. "Steel is hard to get and we have had to order the tank in advance. Considerable time is required to survey the site and make drawings for the foundation. We cannot offer an assurance that while the City of Albany is planning an election the tank won't go up somewhere else."

Representing a group of citizens who met at Cornell School Thursday night to protest construction of the tank, Alan S. Klein presented the Planning Commission petition signed by 1663 persons opposing the project.

The steering committee of the city formed citizen's group to oppose the tank proposal met in the home of Charles Lyon, 709 Pierce street Tuesday night to form an Albany Hill improvement group. No title has as yet been taken for the association.

Temporary officers elected were: chairman, Mrs. Catherine R. Reuter; secretary, Mrs. Irene Reuter; corresponding secretary and treasurer, Mrs. W. A. Pratt, charge of research and Klein, charge of legal procedure.

The Merchants will cross bats with one of the fastest teams in the Bay Area when they play the Richmond El Cortez Club next Sunday at James Kenny. The game starts at 2:30 p. m.

Community Concert Group Plans Membership Drive; Will Hold Contest

The dream of a Carnegie Hall in every town came true for Albany this year when the first series of Community Concerts was successfully culminated. Starting in November enough memberships were sold to guarantee three concerts, which were presented to music lovers in February and April. The group began their second campaign.

For one week, May 17-22, the Association includes a membership drive, and it is hoped enough memberships will be sold to enable presentation of five concerts during the week.

The Association is organized on a membership basis. Each member pays five dollars, plus one dollar Federal tax or a total of six dollars per year. Membership is one to attend all of the concerts presented by the Association each season in the community, as well as any concerts which may be held in any other community under the same plan. In our immediate vicinity Alameda, Berkeley, Hayward are also members of the Association. Memberships may be secured only during the week-long campaign, after which no one can join for another year. No admissions are sold for any concert under this plan. Artists selected by the local committee for the membership drive is over. It varies according to the amount of money available from membership dues. The more money secured, the more concerts possible.

Contest will be held for school children in Albany and El Cerrito, with fifteen free memberships. Forty-four posters will be on display in local schools and by name of composers and musicians. Pictures are shown a student becomes eligible for a free membership. The first 15 complete correct entries will win.

The Executive Committee of the Albany El Cerrito Association includes Wm. G. Woolworth, president; Albert Galigher, E. W.

Clay dishes, scrapes, sombreros and other merchandise typical of Mexican shopping places were on display in the classroom.

Throughout the study period two movies were shown to the class: "The Mexican Children" and "Tina, the Mexican Girl."

Two Mexican phrases—"buenos dias" and "adios, señor"—were taught the class by George Malotky, who returned recently from south of the border.

Trustees Ask 6 Cent Increase In Library Tax

In a letter read to the City Council Monday night, the Board of Library Trustees requested an increase to 12 cents in the library tax rate to finance a proposed new library building. The present tax is six cents. The Board also recommended the lot adjacent to the Post Office on Solano Ave. as a site for the library building. The matter was turned over to the budget committee for study.

The letter also contained a recommendation that Mrs. Kathleen Watkins be appointed head librarian to replace Miss Shirley Preston who has retired. City Attorney George Glavinovich was instructed to draw up a resolution complying with the board's request.

The threat of parallel parking on San Pablo Ave. was forestalled for at least one week when the Council granted Glavinovich an opportunity to confer once more with John H. Skaggs, chief of the State Highway Division.

Since the Highway Division has taken over maintenance of San Pablo Ave. as a State highway, cities neighboring Albany have been forced to abandon diagonal parking to make for greater traffic space on the avenue. It was with this in mind that the Council also instructed Glavinovich to draw up a resolution ordering a change-over from diagonal to parallel parking should further negotiations fail.

The Council took the first step toward the elimination of a rat menace at the foot of Solano Ave. in the vicinity of the overpass. Upon the recommendation of Dr. Robert T. McMahon, public health officer, they voted to employ the Pest Control Service to eradicate rats.

Tickets Selling Fast For HS Spring Concert

Albany Rotarians this week continued to push the sale of tickets to the Albany High School Spring concert to be held in the school auditorium on May 27. Under the direction of Stephan Lehman, the entire music department of Albany High will combine for an evening of fine musical entertainment.

The Rotary Club is sponsoring the concert to provide robes for the High School Choir. Tickets may be bought from any member of the Club. Committee members working on the project are Al Hackin, Joe Villa, Fred Granholt, Tony Montana, Elmer Coble and Vern Easter.

(Continued on page two)

Marin Students Learn Customs of Mexico

A study project about our neighbors to the south—Mexico—is being undertaken by members of the Marin School kindergarten under the supervision of Miss Erna Seeger and Mrs. Bernice Nesbitt.

In order to better understand the customs of Mexico, pupils prepared a market place, houses with tile roofs, patios, furniture and plants such as palms, cactus, and banana trees.

Clay dishes, scrapes, sombreros and other merchandise typical of Mexican shopping places were on display in the classroom.

Throughout the study period two movies were shown to the class: "The Mexican Children" and "Tina, the Mexican Girl."

Two Mexican phrases—"buenos dias" and "adios, señor"—were taught the class by George Malotky, who returned recently from south of the border.

Pay Boost Sought by Teachers

A request for a \$400 cost-of-living bonus for all full-time teachers of Albany for the school year 1948-49 was made by the Albany Teachers Association at the Board of Education meeting Tuesday evening, May 11, with Mauri Gould, president of the Association, acting as spokesman. This bonus, if granted by the Board would be in addition to the \$100 annual increment provided for teachers in accordance with the salary schedule adopted in Albany last year.

Gould pointed out that the cost of living has risen approximately 10 per cent since adoption of the present salary schedule and that most economists believe it will rise another 10 per cent before the end of the year. Since this affects all teachers equally, the bonus should, he said, be the same for all teachers as opposed to a percentage raise based on their present salaries. This bonus would keep teachers' salaries abreast of the increasing cost of living and on a par with salaries being paid by other East Bay communities.

Possible sources of this extra income to finance the bonuses were pointed out by Gould as being (1) higher assessed valuation of the District; (2) increased State apportionments through increased attendance in all Albany schools; (3) money accruing to Albany from the State equalization plan of State apportionments of school funds that are additional to those planned on for the present year; (4) an additional 5c tax, raising the tax rate from \$1.60 to the legal maximum of \$1.65.

(Continued on page four)

Pre-School Alumnae Name First Officers

The newly organized Albany Pre-School Mothers' Club Alumnae met recently at the home of Mrs. J. E. Ellinger, with Mrs. Maxim Drucker as co-hostess. Officers selected for the next term include Mrs. Harry Weaver, chairman; Mrs. Paul F. Dempsey, secretary; Mrs. J. E. Ellinger, building committee representative; Mrs. R. F. O'Brien, publicity.

The next meeting will be held June 16 at the home of Mrs. Catherine Webb, 843 Washington Ave. At that time mothers whose children recently graduated from the Pre-School will be welcomed as new members.

An attempt was made to contact all former members of the Pre-School Mothers' Club in this area. However, due to incomplete lists and changes of address and phone numbers, some names may have been overlooked. All mothers of children who attended the Pre-School are cordially invited to the June 16 meeting, and are asked to call the hostess at LA. 5-1516 if they plan to come. Purpose of the organization is primarily social, with about three meetings to be held each term. A fund-raising project will be undertaken yearly for the benefit of the Pre-School.

Cornell Parent Groups To Install Officers

The Cornell P.T.A. and the Cornell Dad's Club will have joint installation ceremonies at the Cornell School Auditorium on May 20, at 7:30 p. m.

Mrs. Wallace Mardilla, Junior Past President of the Cornell P.T.A. will install the following officers for the coming year: Mesdames Earl G. Sorenson, president; Harry Eckstein, first vice-president; Luis Zavattaro, second vice-president; Harry Weaver, financial secretary; Wayne Miller, recording secretary; Leslie Durman, corresponding secretary; Franklin Henry, treasurer; Albert A. Burns, parliamentary; W. F. Burt, historian, and K. F. Allen, auditor.

D. J. Gordon, of Oakland, President of the California Council of Dad's Clubs, will install the following officers: Elmo Rose, president; Eugene Hood, first vice-president; Edward King, second vice-president; Jack Howell, secretary; Wallace Mardilla, treasurer, and Jerry Thompson, parliamentary.

The Dad's Club has arranged for a representative of the American Cancer Society to give a talk, illustrated by animated pictures, following the installation ceremonies. Musical selections will be played by the Cornell Orchestra under the direction of Miss Jeannette Bruce. The social hour has been arranged by the Executive Board of the P. T. A.

June 6 Set as Date For Masonic Picnic At Curry Creek Park

Plans are near completion for the annual picnic of Albany Lodge No. 686 F.&A.M. and Albany Chapter No. 550, O.E.S. to be held June 6 at Curry Creek Park on the Mash Creek Road.

Games and races for both grown-ups and children are scheduled with attractive prizes in the offering for lucky winners. The park has a fine picnic ground and swimming pool which will be open to lodge members and their children. The annual game between the Lodge and the Brothers' Club will be played on the baseball diamond at the park.

The lunch will be pot luck with free coffee supplied by the Lodge and Chapter. There will also be free coke and ice cream for all.

Marin Dads Will End Present Movie Series

The Marin Dads Club will show the seventh and final film in their series of old time movies at Marin School Auditorium on May 14 starting at 7:45 p. m. The doors will open at 7:15. Admission for adults is 35 cents and for children nine cents.

In announcing the close of this series of movies, Bill Keating, publicity chairman for the Dads expressed the thanks of his group for the fine support given them on this project. They expect to resume with a new series of films. Profits from these movies go into the welfare fund of the Dads Club for support of various groups in the school and for benefit of the students in general.

Exchange Club Will See First Oaks-Seals Game

Tuesday evening, May 18, over 150 local Exchangeites with their wives and friends will be sitting behind third base at the opening of the first Oaks-Seals Series. The vast majority of them will, no doubt, be hoping to break the Oakland "jinx" of losing Tuesday evening ball games.

Program Chairman, Ed Haran of the Albany Exchange Club, has invited members of the San Pablo, Richmond, and El Cerrito Exchange Clubs to join with the local club on this baseball night.

Co-chairman Henry Villa secured the block of tickets and states that they are practically gone.

Haran has arranged for the banquet room at Angelo's Dinners for that evening. Cocktails are to be served at 6 with dinner scheduled for 6:30. Then to the ball game.

Three Schools To Compete in City-Wide Meet

On Friday, May 21, Cornell School will be host to Codornices and Marin Schools when over 110 boys representing the three schools participate in a City-wide track meet and pentathlon starting at 2 p. m.

The second annual meet is under the direction of the Albany Recreation Department, City and Schools, and only boys in the 5th, 6th, and 7th grades are eligible to participate. The events will consist of 40 and 60 yard dashes for Class A and B, and 50 and 70 yard dashes for Class C and D; a six-man shuttle relay and field events including push-ups, standing broad jump and softball throw for accuracy.

Judges selected for the running events are Paul Bryan, Superintendent of Schools and the three elementary school principals, Milton D. Gordon, Eugene H. Baker and Elmer R. Venter. Head Field Judge will be Emmett Devine, Acting Superintendent of the Recreation Department; Timer, Vince Sherry, Supervisor of the Recreation Department; and Starter, Charles A. Moore, high school principal.

Judging the Field Events will be William G. Woolworth, Coordinator, assisted by teachers and directors, Robert Erickson, George Stewart, Paul Berry, Mervyn Weiner, Ed Leach, Walt Gordon, Jr., Vance Teague and Don Adams.

The Advisory Committee has extended a special invitation to parents and organizations of the community to witness this second annual meet.

Eagle's Dance

Albany's Bayview Aerie 2323, Fraternal Order of Eagles, will hold a box social dance at Painter's Hall, 1340 San Pablo Ave., El Cerrito, Saturday night, May 15.

Modern and old time dancing will be featured with a real old-fashioned caller for the old time dances.

MAY 21-22 PROCLAIMED POPPY DAYS TO AID AMERICA'S WAR HEROES

"Honor the war dead. Aid the war's living victims." This will be the American Legion Auxiliary's call to the nation on Friday and Saturday, May 21 and 22 in a two-day campaign to obtain contributions on Poppy Day for the welfare of disabled veterans and needy children of veterans.

In return for a contribution on Poppy Day, the contributor will be awarded one of the familiar little red crepe paper poppies which have come to symbolize the nation's remembrance for the sacrifices of her sons.

Made each year by disabled servicemen in veterans hospitals, the poppies will be distributed on city streets by volunteer workers from Legion Auxiliary units.

According to Mrs. Jean Walliston, poppy chairman of the Albany Unit, the flowers to be distributed here were made at the Livermore Veterans Hospital by veterans of both world wars under the direction of the 10th District Department of the Auxiliary.

"We want everyone to take part in Poppy Day this year and wear a poppy in memory of those who gave their lives for our country," said Mrs. Walliston. "In the three years since the end of the war much has been forgotten but the wearing of a memorial poppy shows that we do remember and honor those who did not come back. To remember the dead is to remember also those who are still suffering in hospitals and the children of those who died. All contributions from Poppy Day go into the Unit's rehabilitation and welfare fund to work for the disabled veterans and the children of veterans."

Refreshments for the children participating will be served after the program by the Cornell P.T.A. Other teachers assisting Mrs. Bruce are Mrs. Edith Ball and Edward Leach, Codornices; Mrs. Katherine Shier, Cornell; and Mrs. Lois Bunyard, Marin. The public is invited to attend free of charge.

Executive Board for Pre-School Mothers Reports on Semester

The executive board of the Albany Pre-School Mothers club held its May meeting Wednesday evening, May 5, at the home of Mrs. Sunnie Senne on Madison Ave. with Mrs. Vilma Brown as co-hostess. Present as guests were Mrs. Doris Miller and Mrs. Angela Spearin.

Mrs. Jean Nilmeier was chosen as the new representative to the Council of Cooperative Pre-School Play Centers.

Reports for the semester by repairs chairman Mrs. Dorothy Giberson revealed expenditures to date of \$25 for complete renovation of the curved slide on the play school playground, new jumping boards and repairs on tricycles and repairs on cots. Whenever possible repairs are made by pre-school fathers.

Reports by ways and means chairman Mrs. Marion Clark revealed purchases by the mothers club to date of over \$60 for puzzles, dolls, a doll buggy, easel brushes, and aprons for painting, including over \$25 for books for the pre-school. Discounts are obtained where possible and in many instances materials are purchased and work contributed as in the case of the paint aprons, sewn by Mrs. Myrtle Klein.

Announcement was made of a pot luck supper for the Dads to be given Friday, May 21, at 7:30 at the Pre-School.

Boundaries Set For MacGregor, Vista Schools

The Board of Education on Tuesday, May 11, established the District attendance boundaries for the new MacGregor and Vista primary schools. Both schools are expected to be completed by the opening of the fall term.

Kindergarten, first, second and low third grade children living north of Solano Ave. and east of Masonic are expected to attend MacGregor. If there is still room, children living nearby in the Cornell School area will be permitted to attend MacGregor.

Vista School will accommodate kindergarten, first, second, and low third grade children living north of Buchanan Street and west of San Pablo Ave.

Superintendent of Schools Paul Bryan pointed out that to benefit all the children of Albany and to provide for lower enrollments at both Cornell and Marin School buildings it is essential that MacGregor School enroll children who would normally attend Marin and that Vista School enroll those who would normally attend Cornell. The location of the Vista School assures this result in the Cornell area, but the determination of which children shall enroll at MacGregor is far more difficult. Some students in the Cornell area residing near MacGregor will not be able to attend, whereas, some in the Marin area living considerable distance from MacGregor will be enrolled there. Only in this way will the school serve its purpose of reducing the heavy enrollment at Marin, a definite part of the School Bond Campaign of 1946.

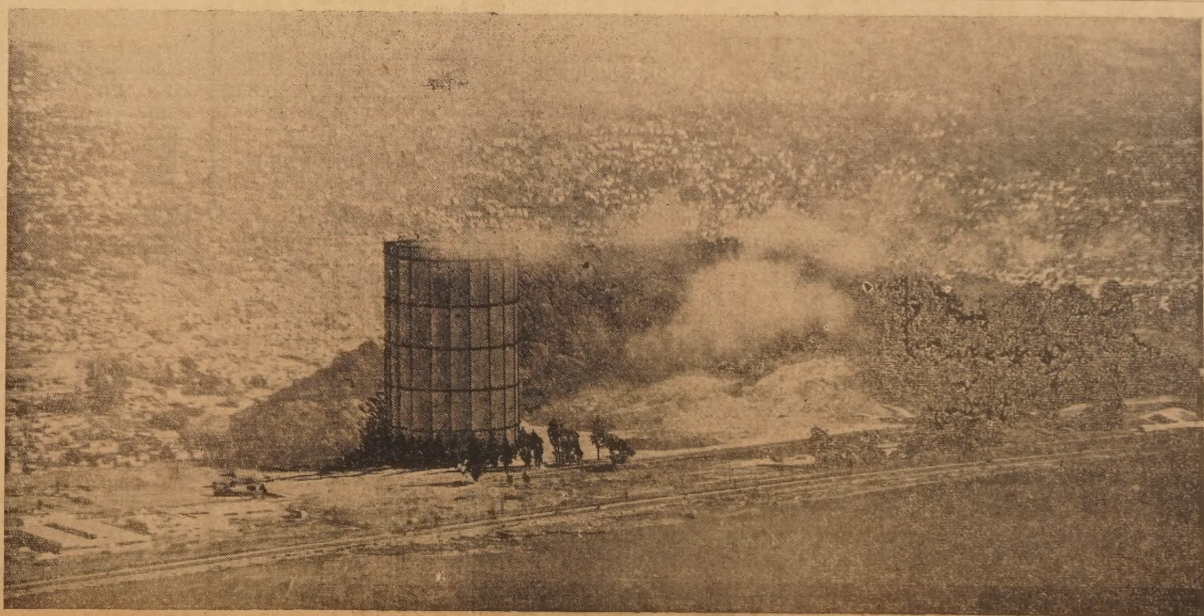

(Continued on page four)

Open 'Til Nine Shopping Plan Wins Approval

That the buying public of Albany appreciates an opportunity to do its shopping in the evening has been amply proved by the results of an experiment conducted by a number of merchants on San Pablo and Solano Avenue. The idea of remaining open until nine p. m. one night a week was tested on Friday, April 30 and the gratifying results surprised even the most optimistic originators of the plan.

Other merchants are joining the move and Friday night promises to become "family shopping time" for all of Albany.

For a complete list of stores open Friday evening please refer to announcement on page seven.

Sketched onto an aerial photo of Albany Hill and the surrounding area, this drawing shows how the proposed P.G.&E. gas storage tank will look at the western base of the hill. The 500 ton tank, 283 feet in diameter, will contain 17,000,000 cubic feet of gas.

Softball League
The Albany Recreation Department Spring Softball League will enter the fourth week of play next Sunday morning, May 16 with the following teams competing:
Albany Post Office vs. Junior Chamber, 10:00 a. m., Memorial.
Marin Dads vs. Cornell Dads, 11:40 a. m., Memorial.
Gillvets vs. El Cerrito Y.M.I., 10:00 a. m., Codornices.
Cerrito Civic Club vs. Macca-becs, 11:40 a. m., Codornices.
Berkeley YMI, Bye.

Teachers More Salary
(Continued from Page One)
The Board of Education took the matter under advisement and set Wednesday evening, May 26, at 7:30, as the time for a special meeting to consider the question further. The Board members unanimously agreed that whatever bonus might be decided upon by the teachers should be granted to all full-time employees of the District, non-certificated as well as certificated.

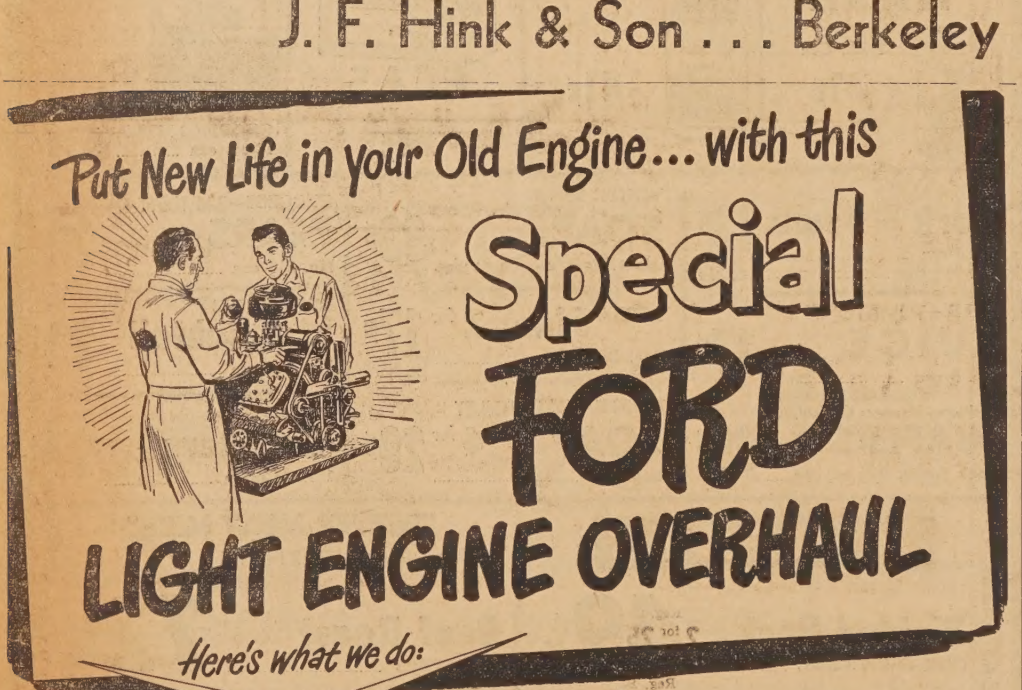

School Boundaries Set
(Continued from Page One)
The Board appointed Miss Anita Van Matre, a Marin teacher for many years, as head teacher at MacGregor; and Mrs. Elhamae Olson, veteran Cornell teacher as head teacher at Vista. Eugene Baker, Principal of Marin, will be principal of MacGregor School. Milton Gordon, Principal of Cornell will head Vista School.

NOTICE TO BIDDERS
The City Council of the City of Albany will receive sealed, written bids for furnishing all materials and labor necessary for the installation of curbs and sidewalks on Key Route Boulevard and Thousand Oaks Boulevard, as set forth in Standard Specifications, at the City Hall, 1045 Solano Avenue, Albany, California, at any time before 8:30 p. m. on the 24th day of May, 1948, at which time all bids will be opened during the regular meeting of said City Council.
Each Bid must be accompanied by a Certified Check drawn on a bank duly licensed to do and engage in business in the State of California; said Certified Check shall be payable to the City of Albany and must be in an amount equal to ten (10) per cent of the amount of the bid.
Within ten (10) days after the execution of the contract hereinafter mentioned, the Certified Check of all unsuccessful bidders shall be returned. The Certified Check of the successful bidder shall be held by the City of Albany until the hereinafter mentioned contract has been executed by the successful bidder and the City of Albany.

NOTICE TO BIDDERS
Sealed bids for one hundred (100) USED untreated Douglas Fir Piles will be received by the undersigned at the City Hall, 1045 Solano Avenue, Albany, California, any time before 8:30 p. m., Monday night, May 17th, 1948, at which time all bids will be opened during the regular meeting of said City Council.
Each Bid must be accompanied by a Certified Check drawn on a bank duly licensed to do and engage in business in the State of California; said Certified Check shall be payable to the City of Albany and must be in an amount equal to ten (10) per cent of the amount of the bid.
Within five (5) days after the acceptance of the bid by the undersigned, the Certified Check of all unsuccessful bidders shall be returned. The Certified Check of the successful bidder shall be held by the City of Albany until the material has been delivered.
The piles shall be as follows:
50 (Fifty) piles to be between forty (40) feet and forty-four (44) feet in length.
50 (Fifty) piles to be between thirty (30) feet and thirty-four (34) feet in length.
Piles are to be SOUND USED UN-TREATED DOUGLAS FIR with twelve (12) inch to thirteen (13) inch butts.
Bid price must include all Sales Tax and delivery in water or shore at the City of Albany, Foot of Buchanan Street Extension, Albany Dump.
THE CITY COUNCIL OF THE CITY OF ALBANY reserves the right to reject any or all bids.
MYRTLE J. McLEAN, City Clerk.
Pub.: May 7, 14, 21, 1948.

NOTICE TO BIDDERS
The City Council of the City of Albany will receive sealed, written bids for lighting fixtures to be used in the front office of the City Hall, Albany, California.
Bids will be received by the undersigned at the City Hall, 1045 Solano Avenue, Albany, California, at any time before 8:30 p. m., on the 24th day of May, 1948, at which time all bids will be opened during the regular meeting of said City Council.
Each Bid must be accompanied by a Certified Check drawn on a bank duly licensed to do and engage in business in the State of California; said Certified Check shall be payable to the City of Albany and must be in an amount equal to ten (10) per cent of the amount of the bid.
Within ten (10) days after the execution of the contract hereinafter mentioned, the Certified Check of all unsuccessful bidders shall be returned. The Certified Check of the successful bidder shall be held by the City of Albany until after acceptance of material by the City of Albany.
The lighting fixtures shall be as follows:
12 number SUG-451 Columbia Slim-line cells for Directed type of fixture, or equal; each fixture is to have four (4) 8 foot, 51 watt, GE, 200MA transformers and ballasts.
The lower box and pieces are required only on one end of six (6) fixtures, no end pieces on other six (6) fixtures.
All fixtures must be delivered within thirty (30) days after date of acceptance of bid. The price quoted must include delivery to the City of Albany, 1045 Solano Avenue, Albany, California, and the State Sales Tax of 2% (No City Tax or Federal Excise Tax is required).
This bid is for material only, not installation.
THE CITY COUNCIL OF THE CITY OF ALBANY reserves the right to reject any or all bids.
MYRTLE J. McLEAN, City Clerk.
Pub.: May 7, 14, 21, 1948.

"WORLD'S LONGEST SPEAKING TUBE"

now pipes calls East

1. Imagine packing 500 voices together in a tube no bigger than a pencil and sorting them out distinctly at the end! That's what we're doing with coaxial cable. Radio-type waves whisk calls through pipes... instead of on wires...allowing one "co-ax" to do the work of a number of the more usual kinds of long distance cable.

2. We plant "co-ax" with giant plows that lay the cable in one operation. Every eight miles a "booster station" keeps calls going through clearly. For— incredible as it seems—high frequency waves fade so rapidly in the cable that all the sun's energy, if it could be funneled into the pipes, would not carry half-way across the country.

3. "End of the line"...it takes huge panels of complex equipment like this to sort out the calls carried by just one cable. Since December, calls have been going back and forth from the Coast to the East over 2300 miles of "co-ax." And we're adding still more cables to augment long distance service for the growing telephone population on the Coast.

Millions of new working dollars, needed to extend and improve service, must come—not from telephone bills—but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. We can do this only if we sell our services at fair and adequate prices.

The Pacific Telephone and Telegraph Company
More than 70,000 people working together to furnish ever-better telephone service to the West

Bittner Seeks Post as 4th Dist. Supervisor

Louis J. Bittner, candidate for Supervisor in the Fourth District at the June 1st primary, states "My Candidacy for Supervisor grows out of a desire to make this community for all of us a better place in which to live and make a living. As a tax consultant, Auditor and Chairman of the Alameda County Tax Accountants Association, I understand the problems with which we are faced, and I will see that the principles of sound business judgment are applied to the operation of our local government."

Chairman for the Albany district campaigning for Louis J. Bittner is Sam Wade of 1421 Solano Ave.

New Kern plant adds 101,000 horsepower to P.G. and E. lines

Last week, the first giant generator of P.G. and E.'s new Kern Steam Plant near Bakersfield, began turning out 101,000 electrical horsepower for Northern and Central California. Another and still larger generator will be completed later. This is the 70th major power plant in P.G. and E.'s system...

already one of the nation's largest... and the first major unit in a \$400,000,000 postwar program to add nearly two million horsepower in generating capacity. Other plants are on the way, some nearing completion. Construction is going full speed ahead all along the line.

for the record
The first Kern unit produces enough power to serve Berkeley and San Jose

Tons of parts were brought in by plane to speed construction

steam output of the 4 Kern boilers would run 21 giant freight locomotives at full speed

Four towering boilers, a full eight stories high, produce superheated steam that makes generators whirl. 40 freight cars of material went into each boiler. They burn either gas or oil to make steam at 935°F.—four times as hot as that from your tea-kettle. It's sent to the turbines under tremendous pressure.

A mighty package of power...this generator is the heart of Kern. It was ordered originally in 1941, re-ordered after V-J Day and received only this year. Beneath its hood, the precision-made generating unit turns at 1800 revolutions per minute, pouring out new electrical energy for homes, farms and factories.

P.G. and E.
PACIFIC GAS AND ELECTRIC COMPANY

Upon the recommendation of Police Chief Stanley Williams, the City Council Monday night appointed Robert Turley as a permanent sergeant on the local Police force following completion of six months probationary duty.
